

table

James Aaron Erang

September 11, 2022

1 Tables

Simtex also now supports table!

See	this	cool	<i>example</i>
1	2	3	4
5	6	7	8

Another example is this one, although the support is not quite good as of now (09.11.2022):

Col 1	Col 2	Col 3
Hello	From	Tables
Another	Example	Here
